LATE PAYMENT CHARGE

All bills are due and payable when rendered and the charges stated apply when the bills are paid within twenty days after date of rendition. If bills are not paid within twenty days after rendition, except as provided below, a late payment charge will be added equal to one and one-half percent of the unpaid bill and at the end of the first nominal thirty-day billing interval after that, an additional charge of one and one-half percent of any portion of the original amount which remains unpaid, and at the end of the second thirty-day nominal billing interval, an additional charge will be made equal to 2 percent of any portion of the original amount which remains unpaid at that time; however, the total of such charges shall not exceed 5%.

An extended payment period is available to residential customers receiving monthly Social Security or other government-sponsored, low-income monthly assistance which constitutes the main source of total income within the household. The customer is responsible for making application to the Company, and such application is subject to verification and acceptance by the Company. Continued eligibility for an extended payment period is dependent upon an application renewal by the customer and acceptance by the Company during the month of March of each succeeding year. For bills otherwise rendered with a due date after the 5th of the current month through the 4th of the month following the due date shall be extended to the 5th day of such month following. If the 5th day falls on a Holiday, Saturday or Sunday, the payment period shall be extended through the next business day.

FIRM CREDIT ADJUSTMENT

The charges specified in this schedule shall be subject to the Firm Credit Adjustment (FCA) in accordance with the General Service Provision No. 20.

GAS SUPPLY REALIGNMENT ADJUSTMENT

The distribution charge shall be subject to the Gas Supply Realignment Adjustment (GSRA) in accordance with General Service Provision No. 26.

SPECIAL PROVISION – UNMETERED GAS FOR LIGHTING

- A. Unmetered gas service is available under this schedule for outdoor gas lights installed on the Company's side (upstream) of the meter on or before September 29, 1999, provided:
1. The lights conform with the Company's General Service Provisions; and,
  2. The posts and lamps are owned by and installed and maintained at the expense of the customer or property owner.

ISSUED: September 27, 2002

EFFECTIVE: For meter readings on and after September 30, 2002

Residential Service - Rate Schedule No. 1 (Continued)

SPECIAL PROVISION - UNMETERED GAS FOR LIGHTING (continued)

- B. The monthly gas consumption of the light or lights used in each installation shall be determined by multiplying the aggregate rated hourly input capacity of the light(s) by 730 hours, adjusted to reflect hours of use if applicable, and converting the product (rounded to the nearest 100 cubic feet) to therms.
- C. Where the customer does not use metered gas for other purposes under this schedule, unmetered gas used for lighting shall be billed at the rates contained herein. But where the customer also uses metered gas under this schedule, the unmetered gas used for lighting shall be added to the metered usage and the total usage billed at the rates contained herein.

CHARGE FOR TEMPORARY DISCONTINUANCE OF SERVICE

Whenever service under this rate schedule has been temporarily discontinued at the request of the customer, a charge equal to the System Charge times the number of months of discontinued service will be made for reestablishing such service.

GROSS RECEIPTS TAX SURCHARGE

Amounts billed to customers shall include a surcharge to reflect any increase or decrease in the effective gross receipts tax rate from the effective gross receipts tax rate in effect at the time the sales agreement became effective for service. The surcharge factor shall be computed as follows where R represents the decimal equivalent of the changed rate and E represents the existing gross receipts tax rate.

$$\text{Surcharge Factor} = (R - E) / (1 - R)$$

Such surcharge factor or any subsequently revised factor shall become effective along with the billing of revenues to which the changed gross receipts tax rate first applies. The amount of such charge shall be shown separately on bills rendered to customers.

GENERAL SERVICE PROVISIONS

Except as otherwise specifically provided herein, the application of this schedule is subject to the General Service Provisions of the Company as they may be in effect from time to time, and as filed with the Public Service Commission.

ISSUED: August 6, 2010

EFFECTIVE: For meter readings on and after September 1, 2010
